

Coming Soon: New and Improved Online and Mobile Banking

Our updated online and mobile banking platform is launching next year!

We've listened to your feedback, and we're working hard to enhance your digital Personal Banking experience. As we share more details in the months ahead, visit our [Online and Mobile Banking Upgrade Hub](#) often to find the latest updates and FAQs.

[Update Your Contact Information](#)

Although the launch is in 2025, please take a moment to make sure we have your current contact information. To access online or mobile banking for the first time on the new platform, you'll be sent a one-time secure access code via text message or phone call. It's important to update your email address and phone numbers to avoid disruptions and receive communications from us.

Follow these quick steps to make updates online:

1. Log in to [Personal Online Banking](#)
2. Select "Customer Service" from the upper navigation bar
3. Select "Contact Information" and make your changes
